WHAT WE DO

THE MISSION OF THE JEWISH COMMUNITY CENTER OF ORLANDO IS TO BUILD COMMUNITY, STRENGTHEN FAMILY LIFE, AND PROMOTE JEWISH VALUES.

Exactly forty years ago, on Rosh Hashanah, Jewish families across the country and around the world gathered around their dinner tables, dipping apples into honey, to usher in the new year of 5733.

That same year was a monumental one for the current and future Jewish families of Orlando, as 5733 was the year we opened the doors of our Jewish Community Center.

It’s incredible to reflect upon how far we’ve come in 40 years. What started out in Maitland as a tiny preschool and summer camp in a small building surrounded by empty land that once housed an orange grove has blossomed into a tremendous community hub - times two - with the addition of our full-service facility on the Jack & Lee Rosen Southwest Orlando Campus in 2009. Our entire community should be proud of the impact we’ve had on the thousands of members of our community during these past four decades, imbuing children with a sense of Jewish values, connecting families with other families, and boosting the physical and emotional wellness of all of those we serve.

And, in an effort to rejuvenate the facilities at the Roth JCC on the Maitland Campus, money is currently being raised throughout the community as part of the Roth JCC Renovation Project. Chaired by Daniel Coultoff and Dr. Andrew Kleiman, the goal of this project to improve the aesthetics and functionality of the Roth JCC, enhance the overall experience for the members, and attract more participation. Many of the renovations - swimming pool complex, outdoor basketball and tennis courts - were completed this summer and the preschool playground and auditorium dividers will be completed in the fall.

Our board of directors and professional staff continues to work hard in creating enjoyable experiences and life-long memories through our nationally accredited and award-winning programs and events, and are committed to strengthening and sustaining our Jewish community.

On behalf of the JCC of Greater Orlando, we wish you and your family a very happy, healthy, and prosperous 5773.

Shana tova,

Scott Richman, President
David Wayne, Executive Director
