The Andrew Hansen Mandell JCC Summer Camps offered 455 children (22% over last year) a wide variety of activities and
a chance to develop new skills and lifetime memories. Two shlichim from Israel were a great addition to the camp
experience and we teamed up with Orlando City Soccer to host two weeks of soccer camp.

From our little ones in the Dick & Dottie Appelbaum Infant Toddler Wing to our
graduating pre-K students, our Richard S. Adler Early Childhood Learning Center
enrollment increased by 11% (330 total children) from last year. An ECLC task force
was formed to conduct an intensive review of our program and we received an
overwhelmingly positive response through the focus groups and surveys. The Adler
Family purchased a new communication portal system for the parents and teachers in
our infant rooms.

The JCC completed the formal reorganization of its
two JCC locations, in Maitland
and Southwest Orlando, to
become independent non-
profit organizations and
renamed the JCC in Maitland
to The Roth Family JCC of
Greater Orlando. The JCC also
has a new web site, logo and
other branding initiatives and
more than 4,000 likes on
Facebook.

As part of our community outreach, the JCC launched Theater at the J and over
1,000 people attended the Fiddler on the Roof performances, over 100 teens
participated in the J-Serve community service projects, and the 16th Annual
Jewish Film festival was another sellout at the Orlando Science Center and

Foundations. Creating a Jewish
legacy ensures that you will be
remembered and that your
values and passion for The Roth

continue in perpetuity and help us remain a viable and
sustainable cornerstone of the
Orlando Jewish community.

The JCC honors the Kleiman & Lefkowitz families
at the J Ball for their dedicated community
involvement, philanthropic support and
significant impact in the Orlando community
for more than four decades. Over $130,000
is raised to support the JCC’s operations
including the Maxvin & Bonnie Friedman
Scholarship Fund.

Looking ahead
We look forward to another year of outstanding programs and services and incredible growth.
We plan to:

- Implement a renewed effort to strengthen our current portfolio of core programs and operations such as early
childhood education, summer camp, after school programs,
fitness, sports and membership.

- Enhance board leadership to strengthen the JCC’s role in
the community and enhance philanthropic opportunities.

- Continuously invest in and maintain our facilities to
optimize customer satisfaction, utilization, and mission impact.

- Collaborate more with Maitland campus agencies and other
Jewish agencies in Orlando.

Our vision is to be a place
where the entire community can
experience high-quality services
based on our core Jewish values.
