Marie Benedict, *The Only Woman in the Room*

Marie Benedict is a lawyer with more than ten years' experience as a litigator at two of the country's premier law firms. While practicing as a lawyer, Marie dreamed of a fantastical job unearthing the hidden historical stories of women -- and finally found it when she tried her hand at writing. She embarked on a new, narratively connected series of historical novels with *The Other Einstein*, which tells the tale of Albert Einstein's first wife, a physicist herself, and the role she might have played in his theories. The following novel in this series is *Carnegie's Maid* -- which released in January of 2018 -- and the next book will be *The Only Woman in the Room*, which will be published in January of 2019. Writing as Heather Terrell, Marie also published the historical novels *The Chrysalis*, *The Map Thief*, and *Brigid of Kildare*.
