From the 39ers Presidents

By the time you read this, we hope you all enjoyed our model seder on April 22nd. Thanks to all our volunteers who made this possible.

We are almost at the end of our first year as co-presidents. It has been a busy year, with some ups and downs, and learning as we go. Thanks to our Board members for all their help, especially Lillian Berkowitz, Marvin Klein, and Dora Furst. Also, our membership chair, Sherry O'Brien and our Financial Secretary, Florence Goldman. And, of course, thanks to Amelia Petersell and Allita Dunn.

On May 13th, we will hold our annual installation luncheon. We will have a brand new menu and new live entertainment. See the Special Events section of this newsletter for more details!

As we look forward to another great year at the J, we hope you take a moment and think about how you can be more involved with the 39ers. Just speak to any of the board members for ideas; we would love to hear from you!

—Barbara and Sheldon

Bits & Pieces

Thank you

A warm thank you to **Batya and Victor Granatstein** for our fun-filled Yiddish

Circle meetings. Batya and Victor are snowbirds from Maryland and we look forward to their return in the fall. Also, we want to thank them for the birthday cake celebrating Victor's birthday. Once again, we want to thank **Beti Abramovici** for providing us with a pizza and salad lunch to commemorate her husband's "yahrzeit." Beti also gave us a generous donation. Beti is also one of our 'birds,' as she lives half time in Israel.

We want to thank the committee (**Dora Furst, Beti Abramovici, Lillian Berkowitz, Francine Etienne, Barbara Goldberg, Amelia Petersell, Florence Goldman, Sherri O'Brien**, and, of course, **Billie Goldhar**), who made our Mini Seder so successful.

A big thank you to Dora Furst for 'encouraging' us to contribute to the Jewish Federation Food Bank.

And thank you to those of you who continually bring in 'noshes,' **Dora Furst, Anita Weintraub, Allita Dunn Flo Goldman, Barbara Becker, Jan Abrams, and Joyce Shields.**
