Fitness Center

KN95 masks must be worn by all in the Fitness Center. If you do not have a KN95 mask, we will provide you with one. Our max capacity (including staff) will be 12 people at a time in the Fitness Center. If the Fitness Center is at capacity when you arrive, you may be asked to wait. Please make sure to wipe down when moving from one piece of equipment to another.

Like many other fitness and retail locations, we want to make sure everyone is safe, and limiting the number of people in the Fitness Center at once helps us maintain safe distancing goals.

Group Exercise Classes

Please come prepared with your own towel and fitness mat if the class requires one. Our max capacity (including staff) will be 12 people at a time in the Group Exercise class.

Deep Cleaning Schedule

- During the Week, the Fitness Center will be closed for a 30-minute deep cleaning at 11:30 AM and 4:30 PM.
- During the Weekend, the Fitness Center will be closed for a 30-minute deep cleaning at 11:30 AM and 2:30 PM.

FOLLOWING AIR TRAVEL, it is NO LONGER REQUIRED to Quarantine.

****The CDC suggests testing upon return on Days 3-5 and wearing a mask for 10-Days****
